In Notification No 1091-10-5, dated 8th August 1904, the Government authorized the exemption from payment of school fees for a period of two years from 1st July 1904, all pupils of the depressed castes noted in the margin, attending the Vernacular Taluk, Branch and Hobli schools

Holeyars,
Madigars,
Lambanis,
Korachars,
Koramas,
and Naindas

As the period of exemption will expire by the end of this month, the Inspector General of Education has recommended that the exemption may be made <u>permanent</u> on the ground that they are generally poor people who cannot afford to pay for the education of their children He also states that even when free education is offered to them, the number of children attending the schools is very small and that it is improbable that even the existing number will remain at the school if a fee is demanded

I quite agree with the Inspector General of Education and recommend the exemption being

sanctioned permanently

The First Councillor has given his assent to a suggestion made by the Secretariat that the exemption may be allowed for a further period of 5 years, but I do not consider that any such limitation is necessary

OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

No 9130/591 Bangalore, 18th May 1906.

From

H J BHABHA, ESQ M. A,

Inspector General of Education in Mysore

To

B K Venkatavaradengar Esq,
Secretary to the Govern ment of
His Highness the Maharaja of Mysore,
General and Revenue Departments
Bangalore

Sir,

XN- I have the honour to state that by Government order No. 1091-10-5/ed dated 6/8 August 1904 Children in Government Vernacular Schools - Yalig, Yalig Branch and Hobli - belonging to the depressed castes namely, Holeyas, Madigas, Lambans, Korachas, Koramas and Naindas, have been exempted, for a period of two years from 1st July 1904, from paying School-fees The period for which the exemption has been granted will expire next month. I request accordingly that Government may be pleased to exempt pupils of these castes permanently from the liability to pay fees in Government Vernacular Schools

These castes are generally poor and cannot afford to pay for the education

education of these children, however small the fees may be. Even when free education is offered, the number of children at school belonging to these backward classes is very small. It is highly improbable that any considerable portion of even the existing number will remain at school if a fee is demanded.

2 Under the circumstances, I beg to recommend the permanent exemption of the children of the above backward classes in Government Vernacular Schools from paying fees.

I have the honour to be,
Sir,
Your most obedient servant,

H. Bhabha
Inspector General
